

# GERMS

A COLORING BOOK

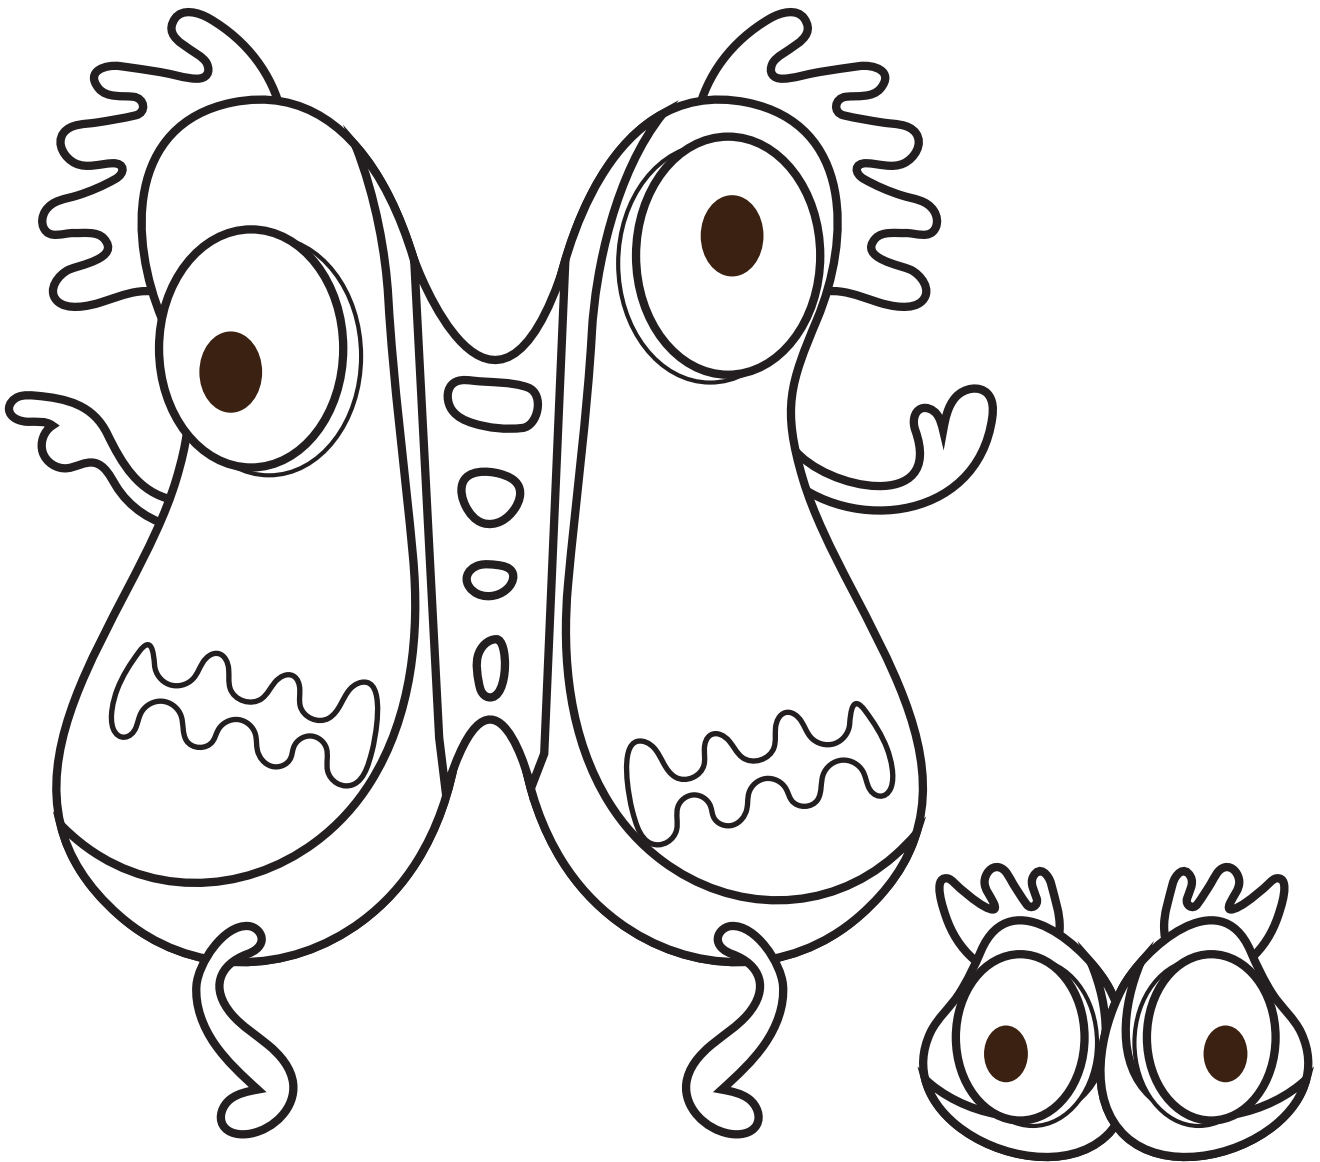

Victor Valley Global  
Medical Center

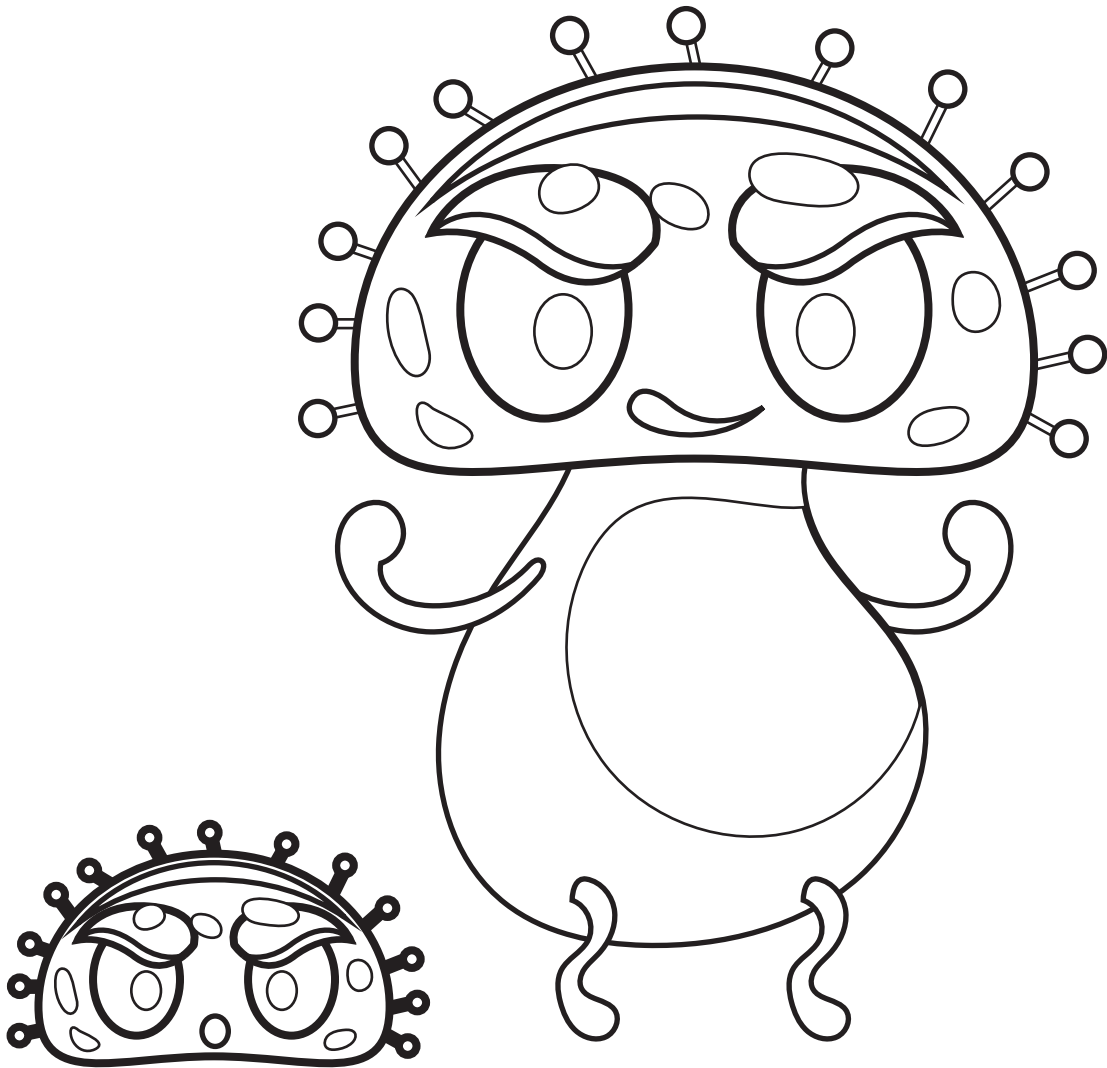

# What are Germs?

Germs are little creatures that are too small to be seen with your eye.

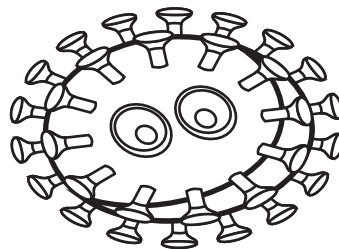

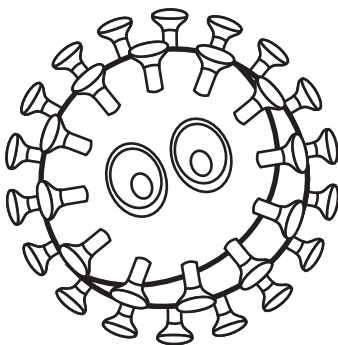

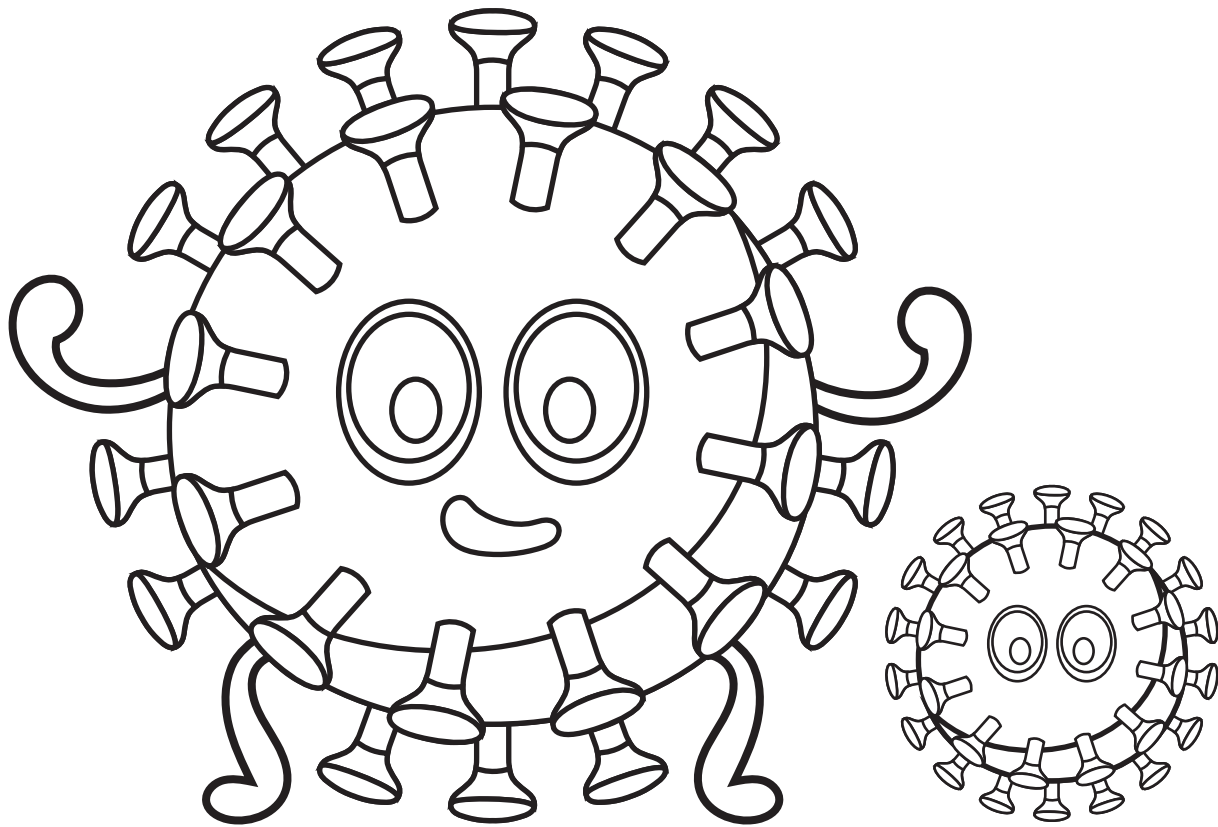

# Are Germs Bad?

**Germs can make you sick!**  
**Germs are bad.**

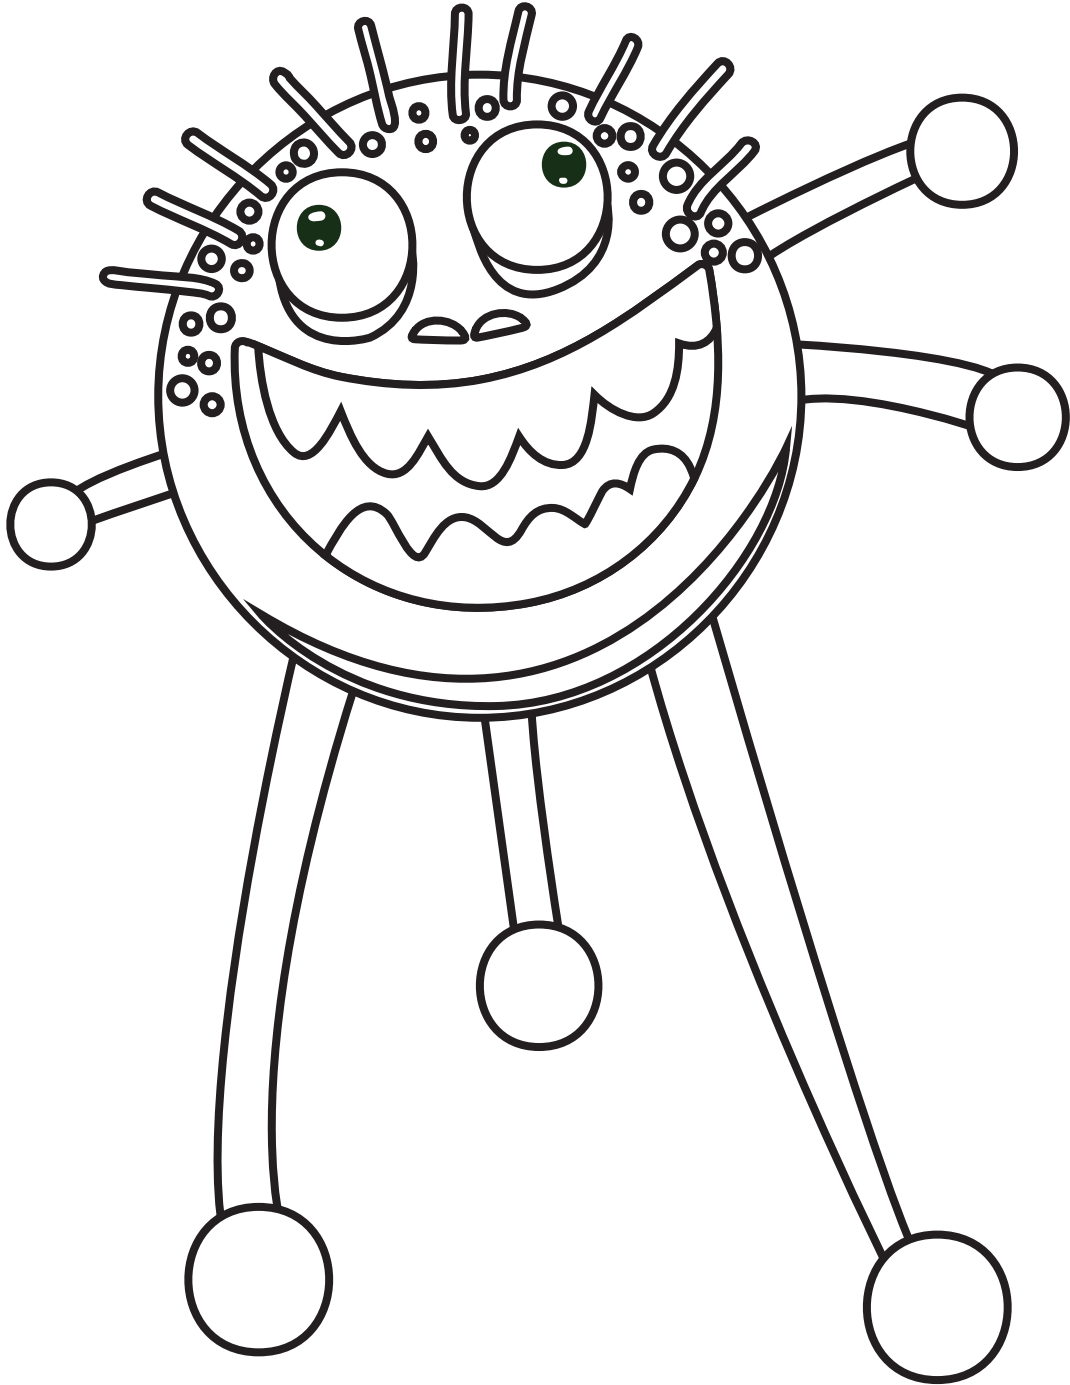

# Where are Germs?

Germs are everywhere. They are in the air and on things you touch.

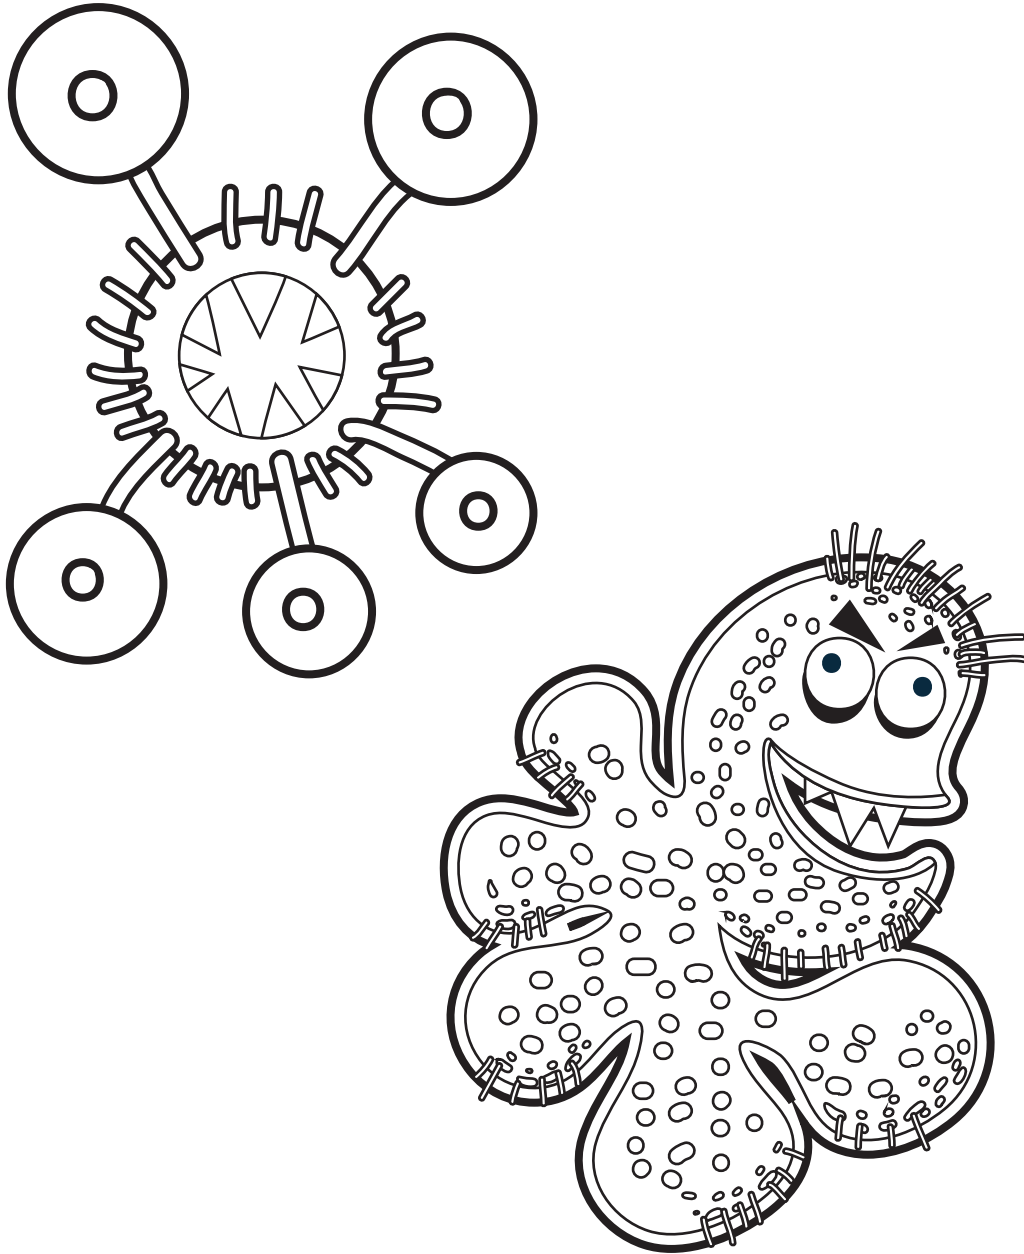

# How Can I Get Rid Of Germs?

**WASH YOUR HANDS!!!!**

# How Long Should I Wash My Hands?

Use soap and sing  
the “Happy Birthday”

**Germs are everywhere.  
When in doubt, wash!  
Make it a habit like brushing  
Your Teeth.**
